Miss Kathleen Parlow,  
160 West 73rd Street,  
New York, N.Y.

Dear Miss Parlow:

x I have your letter of the 18th and am making enquiries regarding the possibilities of a class. The orchestra arrangements are already made, but there is a possibility of the engagement with Enesco, of February 4, falling through. Although it is very difficult to arrange recital tours from here I shall see if anything can be done about the suggested Sonata Recitals with Bauer. Have you any idea what his terms would be--and yours? As soon as I can give any further information I shall let you know.

I am glad that you have had so pleasant a summer and only wish I could have paid a visit to the Berkshires again.

With kindest regards from us both, I am  
Yours very sincerely,

*E. Macmillan*
